*Returns are net of Total Investment Charges (TIC) and for periods greater than one year the returns have been annualised. Post launch returns are simulated based on the current weightings of the initial investment on the selected Platform, where applicable.
**The weighted TIC of underlying funds is calculated using the latest available TIC of the underlying funds and their static weightings at month end on the selected Platform. This will vary daily as the actual weightings of the underlying funds fluctuate.

The abovementioned fees include VAT but exclude Investment manager, Financial Advisor, Consulting and Platform fees.
